

Organic Birth

Yes!
Birth Is Natural!

YOU ARE INVITED TO A Film Screening of 'ORGANIC BIRTH'

Enter the world of undisturbed birth as 11 couples share their intimate personal journeys, facing their fears and moving through pain into the ecstasy of birth. A documentary that examines the intimate nature of birth and the powerful role it plays in women's and men's lives when they are permitted to experience it fully.

Powerful, passionate and thought provoking, with commentary by a dozen pre-eminent health professionals and many couples who share their birthing journey, **Organic Birth** dismantles untruths about labour and birth that women have been told for generations.

Saturday 25th February 2012
2.30pm – 5.00pm)

Venue: Archway House
Lubenham Hill, Market Harborough
